Welcome Message

Dear Esteemed Colleagues,

With immense pride and great enthusiasm, we extend a warm invitation to all for the **Annual Karneocon and South Neocon 2026**, scheduled from **28th to 30th August 2026 in the vibrant and ever-evolving city of Bengaluru.**

This prestigious gathering, centered around the compelling theme **“Evidence to Excellence: Advancing Neonatal Practices”** aims to create a powerful platform where science meets clinical wisdom, and where evidence is translated into excellence in neonatal care. As neonatal medicine continues to evolve rapidly, it is imperative for healthcare professionals to stay aligned with the latest advancements, technologies, and evidence-based practices that directly impact patient outcomes.

South Neocon 2026 aspires to be more than just a conference—it is envisioned as a dynamic convergence of knowledge, innovation, and collaboration. The scientific program has been meticulously curated to address the most relevant and pressing challenges in neonatology, while also exploring future directions and breakthroughs in the field.

The conference will feature a rich and diverse academic agenda, including:

- Distinguished plenary sessions by eminent national and international experts
- Focused symposia covering subspecialty domains and emerging trends
- Interactive panel discussions fostering exchange of ideas and real-world experiences
- Hands-on workshops and skill enhancement sessions for practical learning
- Case-based discussions bridging the gap between theory and bedside practice
- Free paper and poster presentations, providing a platform for young researchers and clinicians

Key scientific streams will cover NICU advancements, infection control, neonatal nutrition, respiratory care, neurodevelopmental follow-up, ethics, and evidence-based clinical practices. The conference will also highlight innovations in neonatal technology, quality improvement initiatives, and multidisciplinary approaches to newborn care. Alongside a strong academic program, it offers excellent opportunities for networking, collaboration, and meaningful engagement with experts in the field.

Set in the vibrant city of Bengaluru—renowned for its pleasant climate, rich culture, and thriving medical ecosystem—the conference promises an enriching and memorable experience. We warmly invite you to be part of this inspiring journey as we advance neonatal care and transform evidence into excellence for a better future for our smallest patients.

“Namma Bengaluru”

Bengaluru: The Garden City of Innovation

Bengaluru, the capital of Karnataka, is a vibrant city where natural beauty and modern innovation blend seamlessly. Known as India's Silicon Valley, it is admired for its pleasant climate, tree-lined avenues, and authentic cultural charm that reflects both tradition and contemporary life.

The city's beauty shines through serene spaces like Lalbagh Botanical Garden and Cubbon Park, alongside iconic landmarks such as Bangalore Palace and Vidhana Soudha, showcasing its rich heritage.

Near The Chancery Pavilion, lively hubs like MG Road and Brigade Road offer a perfect mix of shopping, dining, and local experiences—capturing the true spirit and authenticity of the city.
